Terms and Conditions of Purchase

1. By accepting this purchase order in writing or by delivering the material ordered, you accept all of the terms and conditions set forth. Formal objection is hereby made to any additional or different terms you might propose in your acceptance.

2. Rhino Mechanical Connections Limited is hereinafter called "Purchaser" and the party with whom this order is placed is hereinafter called "Seller." This order may be used to purchase supplies, machinery, equipment, etc. and may also be used to contract for maintenance, construction work, or other services, both on and off the premises of the Purchaser.

3. If a price is set forth on the face of this order by the Purchaser, such price shall control, subject to those terms and conditions which follow. In all events (even though a price may be set forth on the face of this order by the Purchaser), the Seller shall charge the Purchaser a price which is not in excess of the lowest prevailing market price for the same or similar items or the lowest price at which Seller is selling such items, and further provided that the price which the Seller charges in filling this order shall not be higher than that last charged or quoted to the Purchaser for such items (if there has been a charge or quote previously).

4. If the Purchaser has inserted a delivery or completion date on the face of this order, the Purchaser reserves the right to cancel this order if said date is not met or if, prior to said date, the Purchaser in its discretion believes that said date will not be met. In such instance the Purchaser shall be free of any liability including but not limited to cancellation charges. If a delivery or completion date is not so specified on the face of this order a reasonable time will be allowed. Time is of the essence of this purchase order.

5. The Seller warrants that the items and their production or completion shall not violate any federal, state or local laws, regulations, or orders.

6. The Purchaser shall have the right to make from time to time changes, additions, omissions, or alterations in the items or to packing, destinations, specifications, drawings, designs, or to postpone the delivery schedule. Immediately upon such change being ordered, the parties shall undertake to agree to an appropriate adjustment in price, up or down, and/or in the other terms of this purchase order. Such changes and such adjustments must be in writing to be binding upon the Purchaser.

7. The Purchaser may inspect the items ordered hereunder during their manufacture, construction and/or preparation at reasonable times and shall have the right to inspect such items at the time of their delivery and/or completion. Items furnished hereunder may at any time be rejected for defects or defaults revealed by inspection, analysis or by manufacturing operations or use after delivery even though such items may have previously been inspected and accepted. Such rejected items may be returned to the Seller for full refund to Purchaser, including shipping and transportation charges. Purchaser's acceptance of any delayed or defective installment of goods shall not operate as a waiver of similar default as to subsequent installments.

Seller agrees that this warranty shall survive acceptance of the goods and services and will run to the Purchaser, its successors, assigns and customers and all users of its products. Said warranty shall be in addition to any warranties of additional scope given to Purchaser by Seller. No exclusion or limitation of any and all warranties, express or implied, and no limitation of liability or damages, other than what is set forth in this Purchase Order, shall be binding upon Purchaser.

9. Regardless of the F.O.B. point designated on the front hereof, title and risk of loss to and with respect to the items shall remain in the Seller until the items in a completed state have been delivered to and accepted by the Purchaser or to an agent or consignee duly designated by the Purchaser at the location specified on the face hereof. A packing slip must accompany each such shipment and if a shipment is to a consignee or agent of the Purchaser a copy of the packing slip shall be forwarded concurrently to the Purchaser. If no such packing slip is sent the count or weight by the Purchaser, or its agents or consignees, is agreed to be final and binding on Seller with respect to such shipment.

11. In the event of causes beyond the control of the Purchaser, such as fire, flood, strikes, accidents, or transportation difficulties, which would make it unwise in Purchaser's discretion to accept delivery hereunder, Purchaser shall have the option to cancel this purchase order without liability or delay the delivery or completion of all or a part of the items.

12. The Seller hereby waives its right to any mechanic's lien or other lien under any applicable statutes or otherwise for work done or materials furnished in connection with items. The Seller shall obtain from any subcontractor or materialman prior to the performance of any work on the items or the furnishing of any materials for the items a written waiver satisfactory to the Purchaser of its right to any such lien and shall deliver such waiver to Purchaser promptly upon receipt thereof. If at any time there shall be evidence of the existence of any lien or claim the Purchaser may use moneys then due or to become due hereunder to discharge such lien or satisfy such claim and credit such amounts against the amounts due or to become due to the

14. If work is to be performed hereunder on premises of the Purchaser, the Seller shall at all times keep the premises free from accumulations of waste material or rubbish. At the completion of the items the Seller shall leave the premises and the items broom-clean.

15. Any rights or remedies granted to the Purchaser in any part of this purchase order shall not be exclusive of, but shall be in addition to, any other rights or remedies granted in another part of this purchase order and any other rights or remedies that the Purchaser may have law or in equity in any such instance.

16. Seller may not assign this purchase order, or any right thereunder without prior written consent of Purchaser. Purchaser shall have the right to assign the purchase order or any right hereunder.

17. This transaction is expressly made conditional on Seller's acceptance of all the terms set forth in this purchase order. If Seller objects to any term of the purchase order, he shall so notify Purchaser within seven days in writing which shall specifically identify such term or condition. Such term or condition will be omitted or modified only with Purchaser's express written consent. Seller expressly agrees that where terms of any other writing, including a quotation, offer, or acknowledgment, conflict with the terms of this Purchase Order, the terms of this Purchase Order shall apply.

18. In the event that any word, phrase, clause, sentence, or other provision hereof shall violate any applicable statute, ordinance, or rule of law in any jurisdiction in which it is used, such provision shall be ineffective to the extent of such violation without invalidating any other provision hereof.
